~~The~~ Secretary to Government of Mysore. General and Revenue departments

Sir,

I beg to submit that circular no: 34 (Copy forwarded for reference) was issued from this office to the Heads of departments and offices and the deputy Commissioners of districts requesting them to forward a statement of the officials in their respective departments and offices who have failed to insure their lives. Though the circular had been issued on the 4th December 1901, Only the marginally named offices have responded to the request. Belated proposals still continue to be received and the explanation forthcoming generally

generally points to laxity in the enforcing of the Insurance Rules.

I therefore request that such orders as may be deemed necessary by the Government may be issued for strict and prompt attention being paid to the Insurance Rules and to the requi-sitions made from this office

INSURANCE.

Circular No. 36, dated 4th December 1901.

To—The Heads of Departments and Offices and Deputy Commissioners of Dist[illegible]

Certain officials in the Shimoga District who ought to have been compelled to insure their lives a considerable time back, have only recently submitted their proposals and the explanation furnished is far from satisfactory. Related proposals still continue to be received from several quarters. It is therefore requested that a complete statement of officials the insurance of whose lives is compulsory under the Rules and Government Orders issued from time to time, but who have not yet insured, may kindly be caused, to be forwarded at an early date with reasons for such omission.
